SCHOLARSHIP

ACADEMIC YEAR 2025-26

NATIONAL SCHOLARSHIP PORTAL INFORMATION

The National Scholarship Portal (NSP) is now open for Academic Year 2025-26 to receive applications for both Pre Matric and Post Matric schemes and Top Class schemes of all Ministries and Departments.

OFFICIAL WEBSITES Main Portal: https://scholarships.gov.in Student Portal: https://scholarships.gov.in/Students OTR Application: https://scholarships.gov.in/otrapplication/#/login-page

ONE TIME REGISTRATION OTR

One Time Registration OTR is a unique 14-digit number issued based on the Aadhaar or Aadhaar Enrolment ID EID and is applicable for the entire academic career of the student. OTR is required to apply for scholarship on National Scholarship Portal from Academic Year 2024-25. OTR can be generated using Aadhaar or Aadhaar Enrollment number EID.

COMMON SERVICE CENTRES CSC SERVICES

NSP services are now available at Common Service Centres CSCs. Students can avail the scholarship related services by visiting the nearby CSCs. The total charges for the entire activity per candidate including generation of Reference number, biometric authentication, generation of One-Time Registration OTR number, and filing of complete application form of the candidate is fixed at Rs 30.00 inclusive of all applicable taxes. To locate the nearest CSC please visit the link: https://locator.csccloud.in/

BHARAT AADHAAR SEEDING ENABLER BASE PLATFORM

NPCI has launched Bharat Aadhaar Seeding Enabler BASE platform to facilitate Aadhaar Seeding and De-seeding activities in self-service mode for Direct Benefit Transfer DBT by enabling the citizens to carry out certain activities in digital mode.

IMPORTANT TROUBLESHOOTING INFORMATION

If you are getting error 904 while doing face authentication, kindly update UIDAI AadhaarFACERD App from PlayStore.

In some cases student's or parent's or legal guardian's face authentication for generation of OTR is getting failed as they Aadhaar Holder have locked the biometrics for authentication in their Aadhaar. In such cases students, parents, or legal guardians are advised to check their Biometric Lock Unlock status by using mAadhaar mobile app or My Aadhaar web portal. Before proceeding for face authentication through NSP OTR app, kindly ensure that the Biometric Lock Unlock status should be as Unlocked for authentication in Aadhaar. To lock or unlock the Biometric in Aadhaar, please click on the Lock Unlock Aadhaar option on myAdhaar web portal at https://resident.uidai.gov.in/bio-lock

INTERNSHIP:

The evaluation of 'Internship' is through internal assessment only (continuous

assessment). A committee comprising of two faculty members will assess the internship

for 100 marks, by evaluating the internship report and the oral presentation

by the student. The Head of the Department shall constitute this committee.

Semester long industrial project / internship: These conditions prescribed below are

applicable to those students who avail a semester long industrial project / internship

outside the university.

a) The Viva-Voce examination for semester long industrial project or internship shall

be based on the report submitted by the student with regard to the work carried out

in the industrial project or internship. The students have to produce attendance

certificate at the time of reviews. The report shall be certified by mentor from

industry, supervisor and HOD

b) Projects/internship undertaken externally should have an internal guide and an

external guide. Both guides are expected to interact regularly monitoring the

progress of the student. For the reviews the external guide should be present atleast

in online mode to assess and award marks to the student. In the beginning of the

project, the internal guide should ensure that the work to be carried out is up to the

standard as well as not attracting any IPR issues with the external organization so

that the work could be published. The reviews may be conducted in online mode,

if the student cannot travel to University to attend the reviews and this shall be

approved by HOD and such reviews have to be recorded. However, the end

semester examination has to be conducted in physical mode with the mentor from

company present physically or through online

The student who fails in summer industrial training/internship shall attend the training/

internship again and redo the course with the same organization or different organization

with the approval of the HOD.

In the final semester students shall undertake a semester long project work in

their own discipline/interdisciplinary to obtain hands-on experience. In case of

interdisciplinary project a co-supervisor may be chosen from other discipline.

(ii) Project work may be assigned to a single student or to a group of students, not

exceeding 4 per group with a guide from the same department

(iii) Students are permitted to undertake a semester long industrial project or

semester long internship in an industry / research organization in lieu of the final

semester project work, provided the domain of such projects or internships come

under the same discipline and approved by Department Courses Committee

(DCC) and the industry has no objection in submitting the work carried out as a

report. This industrial project or internship is apart from the summer industrial

training or summer internship, if any

(iv) If the outcome of the project work is the development of a finished product then

it may lead to a start-up activity

(v) The students have to submit a project report or internship report or start-up

report on or before the last working day of the semester

(i) The students should undergo Industrial training for a period as specified in the

Curriculum during the summer / winter vacation. In this case, the training has

to be undergone continuously for a period of at least two weeks in an

organization. This training / Internship is mandatory for degree completion

(ii) The students may undergo Internship at a Research organization / University/

Industry (after due approval from the Head of the Department) for the period

prescribed in the curriculum during the summer / winter vacation, in lieu of

Industrial training

(iii) Attendance Certificate mentioning the period of Industrial Training / Internship

and signed by the competent authority of the industry, as per the format provided

by the University shall be submitted to the Head of the Department

(iv) The internship will be evaluated by a committee

(v) The students are allowed to do internship until the end of the summer vacation of

sixth semester and the evaluation will be done during the beginning of the

seventh semester (preferably in the first week). The grade for the internship will

appear in the sixth semester grade card only.

By 2023,ii Internship carries 2 credits.,, iii) Each spell of internship shall be for a period of not less than 2 weeks.

iv) The main purpose of internship is to enhance the general professional outlook and capability of

the student to advance his chances of improving the career opportunities. The student should

get prior approval from the Head of the Department before undertaking the internship and

submit a detailed report after completion for the purpose of assessment.

v) The assessment of the internship will appear only in the eighth semester grade card irrespective

of the semester vacation in which the internship is completed.

vi) The project work carried out in industry in the eighth semester (Regulation 6.16 (iii)) is not to be

treated as internship.The evaluation of 'Internship' is through internal assessment only (continuous assessment).

ii) A committee comprising of two faculty members will assess the internship for 100 marks, by

evaluating the internship report and the oral presentation by the student. The Head of the

Department shall constitute this committee and take the approval of the Controller of

Examinations.
